

MRI IMAGING

WITHOUT THE LONG DRIVE—OR THE HIGH PRICE!

Cody Imaging Center offers some of the most advanced MRI technology in the region, delivering outstanding image quality that providers consistently recognize and trust.

Our MRI features a larger, more comfortable opening, designed to help reduce anxiety and improve the patient experience—especially for those who feel uncomfortable in traditional MRI machines.

With same-day or next-day appointments often available, we make it easy to get the answers you need, when you need them.
